

Independent Electrical
Contractors, Inc.

Introducing a New Benefit for Electrical Contractors!

State Auto Insurance is pleased to introduce a business insurance dividend program created for and recommended by:

IEC of the Bluegrass, Inc.

Available coverages include:

- Liability
- Property
- Auto
- Contractor's tools and equipment
- Umbrella coverage

What Benefit is there to YOU?

- **Potential cost savings** – related to your insurance expenses.
- **Dividend potential for IEC participants insured through State Auto** – up to 50% of the program's profit is paid to participating members in the form of cash dividends!
- **Easy access to the company for a quote** – State Auto's product is available through independent agencies across the state of Kentucky. You can find out more by calling the independent State Auto agency listed below.
- **Confidence in your insurance company** – State Auto Insurance is an A+ rated company and understands electrical contractor's needs. Join and benefit from this IEC endorsed program!
